

FABRIZIO COLOMBO

He was born in Verona in 1968. He holds a degree in Business Economics from the Bocconi University of Milan, is registered at the Register of Business Consultants of Milan, and at the National Register of Statutory Auditors. He worked as an auditor at the Milan office of Arthur Andersen S.p.A. for three years.

He is a partner of the Vitali Romagnoli Piccardi e Associati office, and deals mainly with tax consultancy issues, with reference to structured finance and mergers & acquisitions. He wrote many publications on tax issues on some Italian specialised magazines, and attended at several specialist conferences and courses as a speaker. He is a member of the Board of Statutory Auditors of several financial and industrial companies, and director of "Brioschi Finanziaria S.p.A." and "RdM Realty S.p.A.".
